## PARENTAL PERMISSION

I, the parent or natural guardian of \_\_\_\_\_, hereby give permission for my child to participate in Trinity Christian School sports, and to travel to games and practices with the team. I understand that a current physical must be on file in the office in order for my child to participate in sports. Further, realizing that athletic activity involves the potential for injury, I acknowledge that even with responsible coaching, safe equipment, and strict observance of the rules, injuries are still a possibility for my child. On rare occasions, these injuries can be so severe as to result in total disability, paralysis, or even death. I acknowledge that I have read and understood this warning. I hereby consent to necessary medical treatment for my child in the event of an emergency, with the understanding that every effort will be made to contact me directly.

If my child has asthma, I also understand that it is the sole responsibility of my child to bring her own inhaler to all games and practices and to inform the coaching staff if he needs medical assistance related to this or any other medical condition.
