What is your job here at TCS?
Math teacher.

Do you have a favorite hobby or any hidden talents?
I really enjoy figure skating in the winter and roller-blading in the summer.

What is one piece of advice you'd like to give your students?
Give everything you have to the Lord (and do not hold anything back) because when you live this way, the Lord blesses you more than you can imagine. I have lived some of my life doing things for myself and in the end, I was not happy. I think of the verse "Seek first the kingdom of God and His righteousness and all these things will be added to you." -- Matthew 6:33

What is the best piece of advice you've ever received?
My parents wrote this in my Bible when I was a child: "This book will keep you from sin and sin will keep you from this book." I have found that the only answer to living victoriously in life is to read and obey the Word of God.

What is your job here at TCS?
I teach British Literature, Western Thought I, and Latin for 3rd grade.

What do you like most about the field you teach in/job you have at Trinity?
I'm excited to engage students with new ideas and subjects and to see them grow in their abilities.

Do you have a favorite hobby or any hidden talents?
I play soccer and volleyball. I also love reading and studying nineteenth-century British literature and history. If you've never read a Charles Dickens' novel, you're missing out.

What is one piece of advice you'd like to give your students?
"He who will not use the thoughts of other men's brains, proves that he has no brains of his own. You need to read." - C.H. Spurgeon

What is the best advice you've ever received?
The Christian life is often one of waiting; cultivate patience and wait on the Lord.

What is your job here at TCS?
I teach Latin to fourth, fifth, sixth, seventh, and eighth graders.

What do you like most about the field you teach in/job you have at Trinity?
I love having the freedom to discuss faith and the Word of God as I teach Latin and interact with my students.

Do you have a favorite hobby or any hidden talents?
My favorite hobby is playing the violin. I love music.

What would you like to be doing five years from now?
I dream of going back to school.

What are you looking forward to most this year?
I look forward to getting to know each student and being able to encourage them spiritually and academically.

What is the best advice you've ever received?
Pray! Ask the Lord for everything you need.

A Word from the President

Marcus Prol

Students,

As president of the student council I hope this year has been good so far and will continue to be a great year. The purpose of the student council is to represent the student body, help out with school activities, and seek to provide opportunities for students to socialize and serve.

If you have any ideas or concerns please come talk to me or one of the other student council members. The Vice-President this year is Samantha Voltmer who is also head of the service committee. Kelsee Fleck and Joe Boch are the heads of the social committee and school life respectively.

Additional members:
Ethan Hastings
Ali Champagne
Ian Stempert
Samantha Frank
Nikita Sifonios
Nicholas Yamasaki

A Note from the Editors

Samantha Yamasaki and John Aitken

Summer is gone and September has kicked off with a bang. Your two new editors-in-chief, Samantha Yamasaki and John Aitken, are here to usher in a new epoch of Trinity Times. We will be maintaining the spotless image of this newspaper, so don't worry about any "gotcha journalism" or invasions of privacy!

We are also excited to report that our newspaper team has doubled in size this year. Joining the crew this year is Jurgen Lipps, Zoe Schafer, Peter Yamasaki, Joe Bach, and Chris Rumeau. Ethan Hastings, Jestira Mladenovic and Ali Champagne are returning this year (so look forward to another exciting year of "Bringing it to Blaze"). Last but not least, after a one year hiatus, Anita Witten and Daletyn Harris are rejoining staff one last time as seniors.

Since our online surveys were such a huge success last year, we will be sending out more, so keep your eyes open. We will be publishing a new edition roughly every five weeks. Each edition will be either two or four pages. If you have any questions or suggestions, please email or talk to us. Have a great school year!

Please send contributions to newspaper.trinity@gmail.com or put them in the newspaper folder by the locker hall. Thanks, new teachers and students, for your help with this edition!
